**RE: Reference for Sutpal Singh, DPM, FACFAS, FAPWCA**

To Whom It May Concern:

I have known Dr. Sutpal Singh for over 19 years as a Podiatric Foot and Ankle Surgeon. He has been performing extremely complex Reconstructive Rear Foot and Ankle Surgery, as well as Forefoot Surgery at St. Mary Medical Center. He is one of the very few podiatrists who are double certified in Reconstructive Rear Foot and Ankle Surgery as well as board certified in Foot Surgery by the American Board of Podiatric Surgery.

He has extensive training in all aspects of foot and ankle surgery (including total ankle joint replacement) and is Ilizarov Fellowship trained in trauma and deformity correction from the Russian Ilizarov Scientific Center.

Dr. Singh is of the highest ethics, a thorough professional and has a responsible attitude towards patients. He has demonstrated sound medical and surgical skills in Foot and Ankle pathologies from traumatic injuries to reconstructive surgery. I highly recommend him to my patients as well as to you, as a Podiatric Foot and Ankle Surgeon. He no doubt will be an asset to your medical staff.

Should you have any questions or need anything further, please do not hesitate to contact me via my clinical office at 760-242-8491.

Sincerely,

RE: Sutpal Singh, D.P.M.

To Whom It May Concern:

It has been my pleasure to work with Dr. Singh during his residency at VA West Los Angeles Medical Center, Wadsworth Division, during his last year of surgical residency. I have found Dr. Singh to possess excellent surgical skills and judgement. He relates very well to both his patients and his peers. Dr. Singh has been instrumental in furthering the surgical program and has allowed the podiatry residents to participate in both call for the emergency room and performing more advanced foot and ankle surgery.

I feel Dr. Singh would be an asset to any position. Please feel free to contact me if you have any further questions.

Sincerely,

Patrick W. Mullen, D.P.M., FACFAS

It is my pleasure to write a letter of recommendation for Dr. Sutpal Singh. I have known him for nearly 20 years as a Podiatric Foot and Ankle Surgeon. He is the Chief Ilizarov Surgical Instructor at our hospital. He has been performing extremely Complex Reconstructive Rear Foot and Ankle Surgery, as well as Forefoot surgery helping our residents. Our residency program is a 3-year surgical program. He has also given numerous lectures and performed cadaver workshops at our hospital helping instruct our residents and other Foot and Ankle surgeons. He has also published numerous surgical articles in which our residents at Doctors Hospital West Covina have participated. He is one of the very few podiatrists who are double Board Certified in Reconstructive Rearfoot and Ankle Surgery as well as Board Certified in Foot Surgery by the American Board of Podiatric Surgery. He has extensive training in all aspects of foot and ankle surgery (including total ankle joint replacement) and is Ilizarov Fellowship trained in trauma and deformity correction from the Russian Ilizarov Scientific Center. Throughout the years he has shown excellent patient care in a very ethical, thorough and in a responsible attitude. He has demonstrated sound medical and surgical skills in Foot and Ankle pathologies from traumatic injuries to reconstructive surgery. I highly recommend him as a Podiatric Foot and Ankle Surgeon.

Please do not hesitate to contact me if I can be of any further assistance,

Sincerely,
